Hi Kathy
Remember this good old
gym class and the fun we
have had in here, our best
times were soft ball I think. Well,
I have a real ball this summer,
I don't do anything I wouldn't do, the
field's wide open!! Best wishes to a
swell girl and I'll see ya next year.

Always,
Fudy Jompkins

LOGAN SENIOR HIGH SCHOOL

Foreword

We live in one of the most beautiful scenic sections in the United States. No matter what season of the year it may be, our coulee region with its bluffs and rivers has a strong appeal for those who admire the glories of nature.

The editors of the 1960 WINNESHIEK have used scenes from our area as a background in portraying life at Logan Senior High School which, we believe, is as varied and attractive as the countryside in which we work and play.

Dear Kathy,
We enjoyed having you
in my home room this year
at Logan. Remember all the
good times we had in the year
of 59-60. The trip to Wisconsin
Academy was fun wasn't it?
Henry and his lunch of pork
sandwiches. Remember all the
fun we had on the hayride
at the Cornforths when you
tried so hard to make your
camera work but when it did
I was roasting a marshmello over
the fire. Be Good this summer.
Hope you and Henry are happy
in that small house you have
planned.

Logan's governing body is the Student Council which consists of six representatives from the senior homeroom and one from every other homeroom in Logan Senior High School.

During the Christmas season the council placed a Christmas tree in the auditorium to help emphasize the holiday spirit.

One of the main projects of the year is the prom which is sponsored by the Student Council. With the help of the art department they decorate the gym to match a theme chosen by the council.

At every sports' event the Student Council operates the concession stand to raise money for their treasury. The council uses their finances for the benefit of the school.

This year the Student Council presented the publications' department with a new Polaroid-Land Camera.

This year a student directory was published for the student body. This book was edited by Mary Hetland and Jean Main. It lists the names, addresses, and telephone numbers of the student body and the faculty.

This spring the Student Council held its

election for new officers. The school is divided into two parties, the Federalist and the Nationalist; each has a campaign manager, who, with the aid of a chosen staff, put on a half-hour campaign show in an assembly.

Mary Hetland, Neil Duresky, Tom Knutson, and Vicki Italiano look at the new Polaroid camera the Student Council bought for the publications' staff.

Story by story, page by page, picture by picture, the Winneshiek of 1960 is completed!

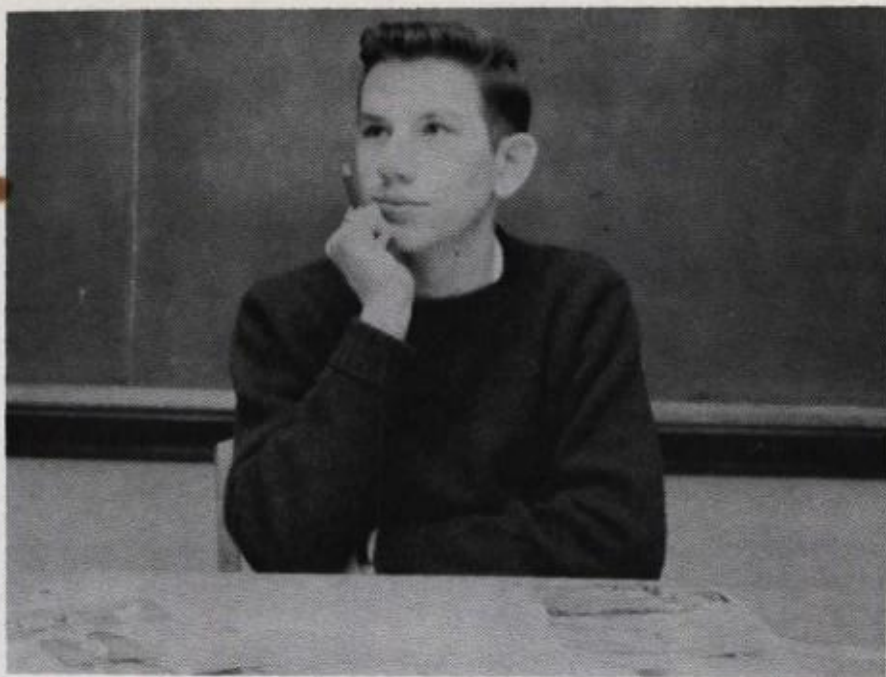

From the beginning to the end of the school year the staff is kept busy. Composition, write-up, business, art, photography, and sports staffs are very essential to the produc-

tion of the annual.

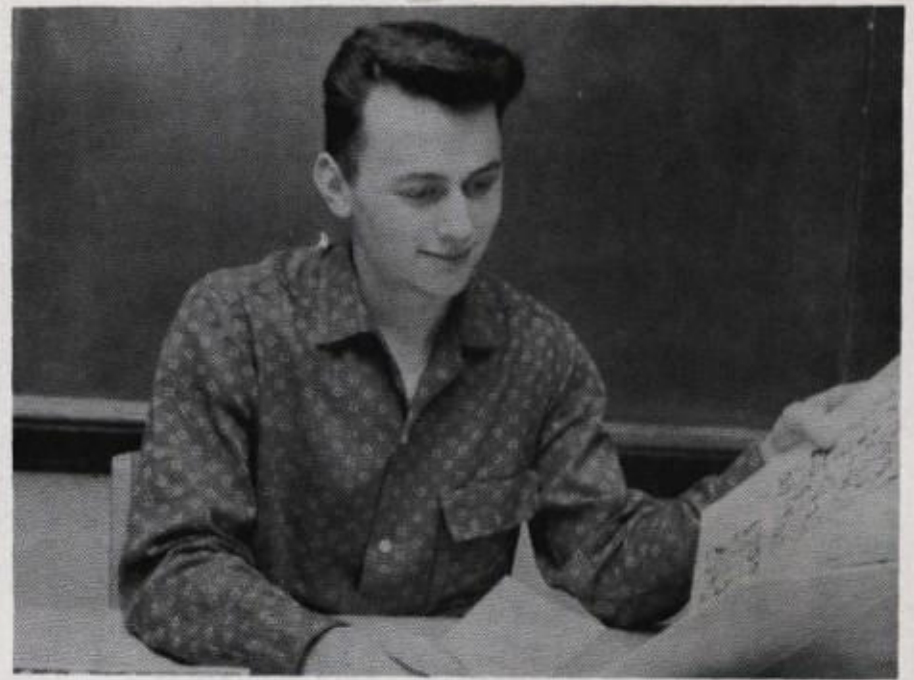

Don Hoover and Donna Harget are the co-business managers and Mary Hetland does all of the mailing. They work many noon hours tabulating receipts and writing orders.

Hearts and Hands

"Hearts to God and Hands to Man" is an expression that describes very well the work of the Junior Red Cross. They not only serve people near at hand but those in other lands as well.

The Junior Red Cross Council is composed of two representatives from each sophomore and junior homeroom and three delegates from the senior homeroom. Meetings are conducted during homeroom every Thurs-

day under the direction of Mr. Thienes. He works very closely with his officers. The secretary was assisted by Harriet McGuire and Joey O'Mealy in writing and typing of the Red Cross reports.

The first project each year is a membership drive. Other projects include group visits to local hospitals, gifts to hospitalized children, gift boxes for overseas, and assistance to other charitable groups.

Log Leaders

"The deadline is tomorrow!!!" states a frantic LOG editor to a bewildered reporter. Room 301 is cluttered with paper, reporters, and the four co-editors. The rush and confusion can mean only one thing—a LOG is coming out this week. These energetic students buzzing around the small cubicle called the "Pub" are the ones, who, throughout the year, faithfully provide the student body with eight newspapers full of news, sports and gos-

sip. The LOG serves as a monthly chronicle that can be used for future reference by students and teachers.

A member of the LOG staff is given an opportunity to show his abilities in the field of journalism. About forty students are serving on the staff this year. They were divided, according to skills and interests, into news writers, feature writers, sports writers, and the business staff.

The familiar strains of "Onward Logan" may well introduce you to a Logan Pep Club meeting. The club's main purposes are to back the school's athletic teams and promote good sportsmanship. They have a special section reserved at basketball games, so that they may lead the rest of the student body in cheering.

The members of the Pep Club put on skits for the pep assemblies. This year's skits included everything from a dancing horse act to a take-off of "Gunsmoke" with Marshal Haugen and Chester Fendt. These heroes stopped the Red Raiders from stealing the Ark of Victory from Loganville.

The main activity of the year is the Fall Festival which is co-sponsored with the Student Council.

Pat Reagles, the 1959 Fall Festival Queen, was crowned by King Earl Jensen. Members of the 1959 Court were: Barb Dent and Chuck Rodell, Sandy Jenks and John La Fleur, Gloria Mose and Bill Martin, Marilyn Otto and Bob Soller, Linda Taylor and Jim Allen, Colleen West and Darrell Washburn.

The Pep Club also engages in several money making activities. "Logan" pins were sold during Fall Festival Week, dances were sponsored after games, a carwash was held in the spring, and buses to out-of-town games were sponsored.

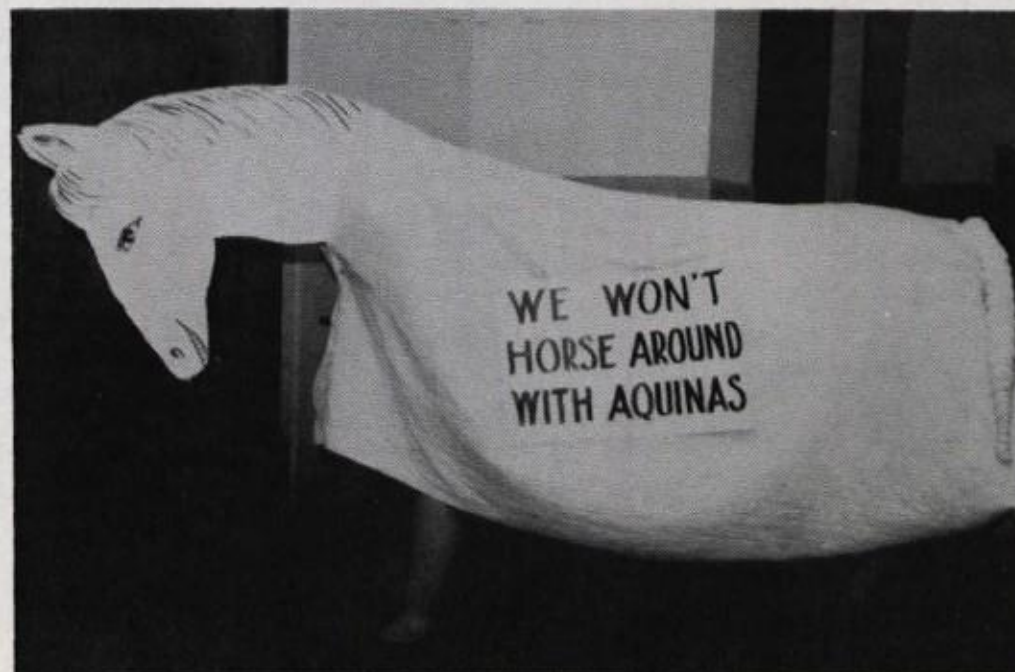

Officers this year were: president, Mary Munson; vice-president, Cindy Hastings; secretary, Barb Pierce, and co-program chairman, Karen Johnson and Karen Jensen.

Mrs. M. Martin is advisor of the club.

Social Secretaries

"A good leader takes a lot more than his share of the blame and a little less than his share of the credit." This was the hint given the members of the Business Education Club by Miss Ruth Wendlandt. Miss Wendlandt gave the girls many helpful tips. The Business Education Club is composed of girls in the eleventh and twelfth grades who are taking a Business Education course.

During the year several programs, both educational and entertaining, were held. Among their guest speakers were the Director of the Winona Secretarial School as well as a

member of the local employment service. The Club also went on a field trip to a large office in La Crosse in the spring of the year.

Officers who led the club this year were: Ann Dagendesh, president; Kathy Jaspersen, vice president; Pat Reagles, secretary; Kathy Young, treasurer. Chairmen of the important committees were Linda Hansen, social; Cindy Hastings, program; and Judy Tischer, publicity.

Miss Helen Gilson is the advisor of the club.

Book Binders

Throughout each day of the school year, the unsung heroines of the Library Club go about their work, quietly and efficiently, to make the library a better place in which to work. "Quiet" is the password the girls employ as they check and prepare books for circulation, take inventory, and check periodicals. The girls are also responsible for keeping the library clean and orderly. The little things which students take for granted are performed daily by these girls who assume these responsibilities of an active library.

Parties are held for special occasions such as Halloween and Christmas. The library is decorated appropriately for each holiday. During the Christmas season the library has the honor of possessing the only Christmas tree allowed in school. Each year a Christmas tea is given for all of the teachers. At the end of the year, the graduating seniors hold their last meeting by going out to eat at a local restaurant. A picnic in the spring is the last social activity of the club.

Those girls who have earned enough service points receive an award at a candle-light ceremony. Only the seniors receive pin guards, a special honor reserved for them.

Officers are: Delona Welch, President; Lola Krause, Vice-President; Sharon Cagle, Secretary; Judi Burch, Treasurer; and Judy Corbett, Log Reporter.

Mrs. Odette Peterson is advisor of the club.

Caesar's Successors

The Latin Club of Logan High is growing each year. In the four years since it has been organized, its membership has increased until now it has a record enrollment. It is made up of first and second year Latin students, who if they wish to belong, pay dues of fifty cents a year.

There are three clubs this year; a first year club, a second year club, and a combined club.

The highlight of the Latin Club's activities for the year is the Latin banquet. The banquet is always in authentic Latin style. The food follows a typical Latin menu and the first year students must dress as slaves.

The general chairmen of the banquet this year are Paulette Konrath and Teri Paulson.

The other chairmen are: decorations, Bonnie Rohrer and Pat Thompson; slaves, Kay Marshall, Vicki Italiano, Ken Knutson, and Jim Hudson; food, Sandy Henthorne; menu and program, Karla Bernhoeft and Mary Lord.

The officers of the first year Latin club are; consul, Scott Beck; scribe, Teri Paulson; questor, Bonnie Rohrer; aediles, Terry Leibel and Pat Thompson.

Second year officers are: consul, Mike Main; scribe, Donna Harget; questor, Carol Rethlefsen, aediles, Ron Evenson and Shirley Whittbeck. The second year officers are also the officers for the combined club.

Miss J. Marsh is the advisor of the clubs.

Noted Misses

Do you like to play volley ball, go swimming or bowling? These are only a few of the many activities that the girls in the Girls' Athletic Association enjoy throughout the school year.

Bowling was the major sport during the winter months. Great interest centered around the championship team, the Little Space Girls. Other teams included the Starlighters, Space Setters, Sunrays, The Martines, Moonglows, Moongliders, and Skyliners.

A fun night was held at the beginning of the year for the new members. Individual sports and team sports were planned by a committee and refreshments were served later in the evening. A mixed-fun night is being planned for the spring.

Each year delegates are selected to participate in the La Crosse State College's Play Day which is held in the spring.

Seniors who have participated in the sports and attended all meetings are awarded a gold pin in a pep assembly.

Officers for the year were: president, Barb Allen; vice-president, Pat Dacey; secretary, Shirley Whitbeck; treasurer, Nancy Knight. Sport heads were: bowling, Nancy Neumeister; and basketball, Marilyn Dobbs.

Mrs. M. Martin is the advisor of the club.

Expert Experts

Do you remember the scenery from "Antic Spring"? Who sets up the chairs on the stage for the award assemblies?

The stage crew knows these and other answers pertaining to Logan. Just ask Milt Tyler, George Jolivette, and Wayne Wheeler, or John Yehle.

These boys have to know when to lower the lights for special effect. When you see a spotlight on a certain person or group on the stage, you know that the busy stage crew is at work again.

These boys put long hours in on constructing and painting scenery. They make up a behind-the-scene crew that is definitely a must for any performance given on the stage at Logan Senior High School.

Mr. Gene Renslow is their advisor.

The sound crew is the organization that keeps the scoreboard clocks, microphones, and other sound equipment in working condition.

This crew consists of boys who are never found in the spotlight, and yet contribute to the success of many of our school's activities. The boys set up microphones for all assemblies.

Awards are received for the services rendered in one year. Only one letter is given to each boy. Boys giving more than one year of service may receive a gold microphone pin to place on his letter.

This year Duane Kidd and Carl Darling are the only two members of the sound crew.

The advisor of the crew is Mr. Walter Ranis.

Wayne Wheeler and Milt Tyler set up the General Motors assembly.

"To grow as a person; to grow in friendship with the people of all races, religions, and nationalities; and to grow in the love and knowledge of God." These are the three goals of Y-Teens. The Y-Teens are junior members of the Y.W.C.A., and many of their activities are closely associated with that organization.

This year the Y-Teens had a very active Inter-Club Council. This club consists of the officers of all the Y-Teen clubs in the city. They sponsored a "Coke and Chip Party" at the Y.W.C.A. for World Fellowship Day. A Christmas Choir was formed consisting of all Y-Teens in the city. They practiced diligently, and sang at the "Hanging of the Greens" and at various homes in the city.

The Logan Senior High Club, itself, is one of the most active clubs in the school. This is a service organization so the program is varied and interesting. During the year the Y-Teens help the Community Chest, the Y.W.C.A., and also give a program at the County Infirmary.

To highlight their social activities, the girls sponsored a Valentine Formal, which was held on February 6. The girls planned and decorated the gym themselves. The theme was chosen by the club. To raise money the club sponsored a dance after the Logan-Central basketball game.

Eight girls were sent to Lake Gilbert, Camp Talaki, for the annual summer conference. Those who attended last year's conference were: Kathy Young, Karen Jensen; official and alternate delegates, Mary Munson, Andy Moe, Sandy Stewart, Mary Anderson, Donna Harget, and Jayne Hanson.

Andy Moe, Lynda Bronson, Faye Severson, and Sandy Stewart present Mrs. Vollenweider with roses celebrating her twenty years of service as Y-Teen advisor.

"Forward march! Two, three, four." Those are the passwords of the Logan Senior High School marching band.

Bright red uniforms with white trim dot the football field as the band goes through its paces at home football games. The biggest halftime ceremony is at the Fall Festival where they lead the Fall Festival Parade and provide music at halftime for the queen and her court.

Basketball season finds one part of the band working hard at preparing assemblies and playing at some games. This group is called the Pep Band.

Because Logan was the host for the Sec-

tional Basketball tournaments this year, the band had plenty of work to do in preparation for their appearances at the games.

The Logan Band doesn't play just marches and peppy pieces. Once every year they give a concert performance in the annual Spring Soncert.

Memorial Day is another busy day for the band. They play in uniform for the yearly Memorial Day Assembly and add the color and pomp necessary to make the assembly a success.

The band is under the direction of Mr. Loyd Meiden.

Whirlers Melodists

No band is complete without a majorette and her assistant twirlers, and Logan's band is no exception. Besides marching, the twirlers put on several halftime performances at basketball games.

They are under the direction of Mr. Loyd Meiden.

During the noon hour, once a week the girls who are learning to play the organ have their lessons. They also practice during study halls and make several appearances during the year, including the Christmas assembly and the Spring Concert.

Sounds of Renown

As the house lights were dimmed, the Logan Senior High School orchestra under the direction of Mr. Loyd Mieden began the overture for "Oh Doctor," this year's operetta. This was only one of the numerous appearances they made this year.

The group lent its harmony to the Thanksgiving Assembly; during the Christmas Program they played selections from "The Nutcracker Suite," they offered religious selections at Easter; and they added their fine music to the Baccalaureate Service.

The group practices and rehearses every day during sixth hour, but they also put in many extra hours.

Letters for Orchestra are given on the basis of a point system, a red lyre the first year, and a gold bar for each succeeding year. This year, graduating members of the orchestra were awarded key pins with a new crest.

The Logan Senior Choir is composed of members of the tenth, eleventh, and twelfth, grades. The choir rehearsals are held during the fourth period every day, but the group can often be found rehearsing on week nights and week-ends.

Upon graduation, senior members of the choir receive a pin to commemorate their

choir experience.

The John Harlan award for dramatics will be given this year for the first time. This award, named after the late Mr. Harlan who was dramatic coach at Logan for many years, is given to the person who is judged to have done the best in a dramatic production.

"The Breaking of Bread" was the title

of the Christmas play which had only two characters, Tim Morrison and John Yehle.

"Oh, Doctor" the operetta presented by the Logan choir this year was a two-act play. Battling Bruisers

Logan, a quite young and inexperienced team, wrapped up the '59 season with three wins and five losses. The Rangers matched wits with several powerful grid teams. With a spirit of fight and determination, they came through fairly well. Five foot eleven inch, one hundred and eighty pound Dale Conrad, led the scoring attack with 38 points. Dale, a junior, also made the All-City First Team, along with Co-Captains Earl Jensen and Bob Soller.

Jensen, a six foot two inch, two hundred and five pound three year letter winner with an educated toe, booted 33 conversions and intercepted 3 passes from his line-backer slot. Bob Soller, a six foot one inch, two hundred and ten pound and an alert, aggressive leader in the line, provided the spark needed for a strong defense. Soller was also voted most valuable player by his teammates. Big Darrell Washburn, a senior, was also a three year letter winner.

Two-year award winners included seniors: Chuck Rodell, Loren Wardwell, Bill Martin, John La Fleur and Jim Beranek. The juniors were Dale Conrad, Fred Abraham, Stan Johnson, Tom Nibbe, Ted Paulson, Monte Beck, and La Verne Grimslid.

First year award winners included seniors:

Neil Duresky, Darwin Eastman, Bob Tooley and Dan Schaller. Other first year awards were received by Pete Smith, Bob Kuehl, Ron Sommerfeldt, Pat Korish, Joey Aylsworth, Dave Zluticky, Dave Jensen and Charles Lukwitz. Awards were also given to managers Dennis Duckworth and Dave Du Mez.

LOGON 6 — EAU CLAIRE REGIS 30

An inexperienced Ranger squad traveled to Regis only to fall before them 30-6. Four of the Ramblers' touchdowns came in the first half, but they were held to one in the second half. Logan's lone tally came from a 14 yard scamper by Dale Conrad.

LOGAN 21 — RICHLAND CENTER 6

Within five minutes of the second period of this game, Logan exploded for three touchdowns and conversions. The Hornets dominated the first quarter of play and in that time received their only points. Touchdowns by the Rangers were made by Conrad and Nibbe.

LOGAN 0 — WINONA 32

On a sloppy, rain splattered field Logan gridgers just couldn't move the pigskin and were defeated by Winona 32-0. Roger Leonhardt of Winona led the Winhawk attack with 3 TD's. Logan fumbled the ball away six times and were plagued by slippery footing.

Chuck Rodell loses one Aquinas player and prepares for the next two.

LOGAN 0 — EAU CLAIRE 13

An improved Logan team contained Eau Claire's speedy attack through most of the game but lost on two blocked punts and two short touchdown drives. They lacked scoring potential and the Old Abes came out on top 13-0.

LOGAN 0 — AQUINAS 18

Hard-tackling Logan players held high-scoring Aquinas to a disputed 18 points after the Blue-Golds beat Central earlier in the season 47-7. The Rangers gave the cross-town rivals a beating on defense but might have won with a more effective offense.

LOGAN 13 — MENOMONIE 20

Pat Korish provided two tallies which just weren't enough to stop the determined fullback, Bob Schroeder, from Menomonie, who scored three times and gained 170 yards rushing. Earl Jensen provided an extra point for Logan.

LOGAN 19 — CENTRAL 0

Logan retrieved the Ark of Victory bringing it home for the third straight year as they defeated Central in a mud-bath in a never-to-be-forgotten win of 19-0. Touchdowns were tallied by the work-horse, Dale Conrad, who made two. Lineman Fred Abraham recovered a Central fumble in the end zone to clinch the victory.

LOGAN 41 — COTTER 6

In the last tilt of the season, Logan showed real power and defeated the Cotter team 41-6. Jim Beranek, Tom Nibbe and Chuck Rodell were the stars of the game. The Logan line operated like a machine. Touchdowns were scored by Beranek who had three, Dale Conrad, Chuck Rodell, and Don Henthorn. Earl Jensen had a fine day scoring four extra points.

John La Fleur goes around end as Loren Wardwell throws a key block.

Cheerleaders

The fondest dream of every junior cheerleader is to join the senior cheerleading squad. With this goal in mind, she tries to improve her knowledge of cheers by practicing at least once a week.

Participation in a cheerleading clinic and membership in the pep club is required before a candidate is eligible to become a cheerleader. The senior cheerleaders conduct the clinic to pick junior cheerleaders for the basketball season. The girls must set an example for the student body by promoting good sportsmanship.

Besides cheering at basketball and football home games, the leaders try to attend as many out-of-town games as possible. They also lead cheers in the pep assemblies.

This year the familiar red satin slacks and white jackets were laid aside and new red slacks, white jackets, and white tennis shoes took their place.

There are six senior cheerleaders this year. Linda Taylor and Marilyn Otto, seniors; Nancy Jenks, Judy Schweinefus and Gail Wardwell, juniors; and Judy Hendrickson, a sophomore.

Mrs. Martin is advisor of the girls.

Letter Holders

The L.C. Club is a select group of boys who have won one or more letters in a varsity sport.

To earn a letter, a boy must participate in one of the varsity sports, for a certain number of games. He must be morally as well as physically fit. He must have a high scholastic standing and participate in other extra-curricular activities. There are no dues, no officers, and have no required functions. Volunteers from the L.C. Club usher at basketball games, take tickets and sweep floors at halftime during basketball games. The letters were awarded at an organizational meeting of the newly formed Booster Club.

Cagey Cagers

Coach Rodney Martin, who, in fourteen years of coaching Logan cagers, has guided four teams to state tournament berths, retired from active coaching at the close of this season. Statistic-wise his winning average of almost 700% is tops in the state of Wisconsin. He has won 220 games in fourteen years, while losing only 98. His best season was the 1958-59 season, when he won 26 out of 28 games. The loss of Coach Martin will be felt by all Loganites, past and present.

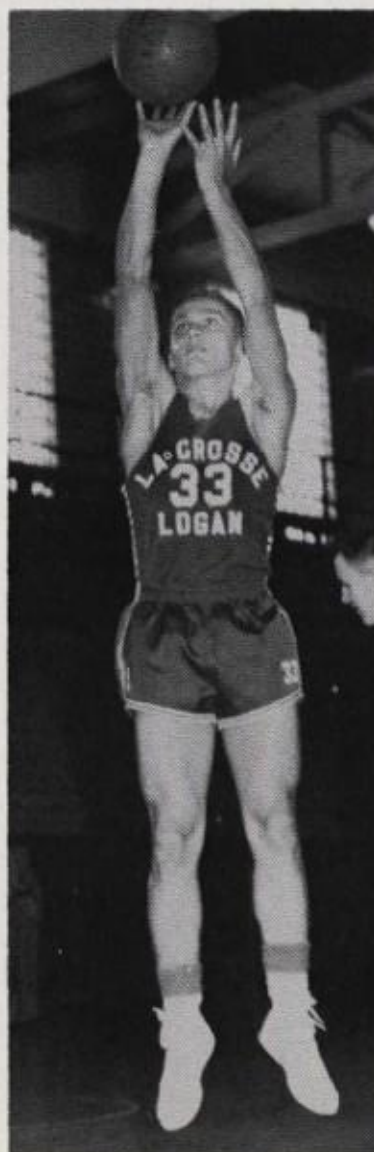

This year's team was far from Mr. Martin's best, winning 3 while dropping fifteen. Earl Jensen led the team in scoring followed by Bill Martin, Don (Bones) Henthorn, Ted Paulson, Ken Barker, and Tom Nibbe.

In this year's tournament Logan was upset in the first game by a scrappy Arcadia team. They dropped the consolation game to our cross-town rival, Central, 77-78, when Jim Kiem's last second desperation shot bounced off the rim.

Intrepid Nine

Mr. William Towner's first year as head coach of the Ranger baseball team proved to be a very successful one. The team won eight of its twelve games and was able to avenge all of its losses.

Wayne Hauser led the pitching attack with five wins and no defeats. He helped his cause with three home runs, two doubles, and nine runs batted in. Jim Longway followed him in the win column with three victories and two defeats. Bob Severson, La Verne Grimsliid and Frank Freismuth served as relief pitchers.

Kenny Barker, the sophomore third sacker, led the Ranger in triples. He also had two doubles and batted in 14 runs. He

finished the season with a batting average of .400.

Barker was closely followed by Larson, who batted to the tune of .360. Ed Gilbertson was close behind with an average of .357. Hauser's .333 average and Severson's .302 average completed the .300 hitters on the roster.

The man with the most stolen bases was Severson with six. He also garnered two home runs and a triple. Jack Weber had five stolen bases, two home runs and two doubles.

Mr. John Fendt assisted Mr. Towner in the coaching department.

Tom McCann coaches as Tom Griswold runs the bases.

Record Revisers

The fabulous Logan "cindermen" of '59 continually broke school, Memorial Field, and city records. Ron Butzman headed this tremendous trio by winning the 100 yd. dash at the state meet in 10 sec. flat. His best time was in the sectional which he ran in a sizzling .09.9 setting a new city record. At the Madison West Relays, "Bootie" broke the record in the 70 yd. hurdles and tied the existing mark in the 60 yd. dash. His .09.9 in the hundred and 21.8 in the 220 erased school and city marks.

Dave Smith headed the weight department by shattering school and city records with a heave of 51' 8 $\frac{1}{4}$ ". He had to break teammate Earl Jensen's mark set earlier in the same meet of 49' 9" which was also a city and school record.

Earl Jensen was all by himself in most of the meets in the discus throw. He established new records for Logan and the city with a toss of 143' 9".

Orby Moss soared to a new height in the pole vault of 10' 11". This is a new school mark.

Other boys with fine performances were Joel Urban, Charley Goyette, Fred Abraham, and Jim Beranek in the 440 yd. dash; Dennis Richmond and Bob Tooley in the mile; Jerry Hanson, Loren Wardwell, and Ralph Hembd in the discus; (Hanson and Wardwell were very good shot putters also) Ronnie Ziebell and Jim Keim in the 880; Moss, John Strehl,

Tom Nibbe, Art Weinke, and Goyette in the sprints and relays; Hanson, Rich Schrader, and Joel Urban in the high-jump; John La Fleur, Richmond, and Moss in the pole-vault; Craig Loomis, Robert Slaback, Beranek, Weinke, and Moss in the hurdles; Beranek, Slaback, and Butzman in the broad-jump.

Graduation took quite a few boys from this year's team which had kept intact the dual meet record and extended it to four unbeaten years.

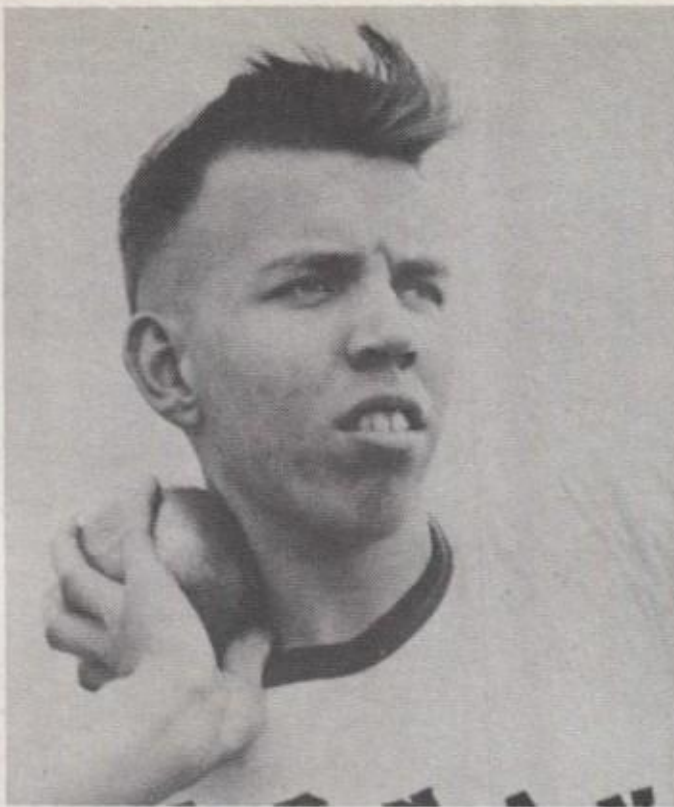

Other team members from this year's squad which will be counted on to fill the graduation losses are: Pete Smith, Art Ingalls, Dan Schaller, Don Howard, Rich Rebhan, Dale Conrad, Ronnie Evenson, Dave Jensen, Neil Duresky, Jim Anderson, John Yehle, Bob Ellis, Ron Sommerfeldt, and Darrel Hegy. Many Logan Junior High athletes will also be counted on for help.

Managers for this year were Don Cagle and Gerald Duffrin.

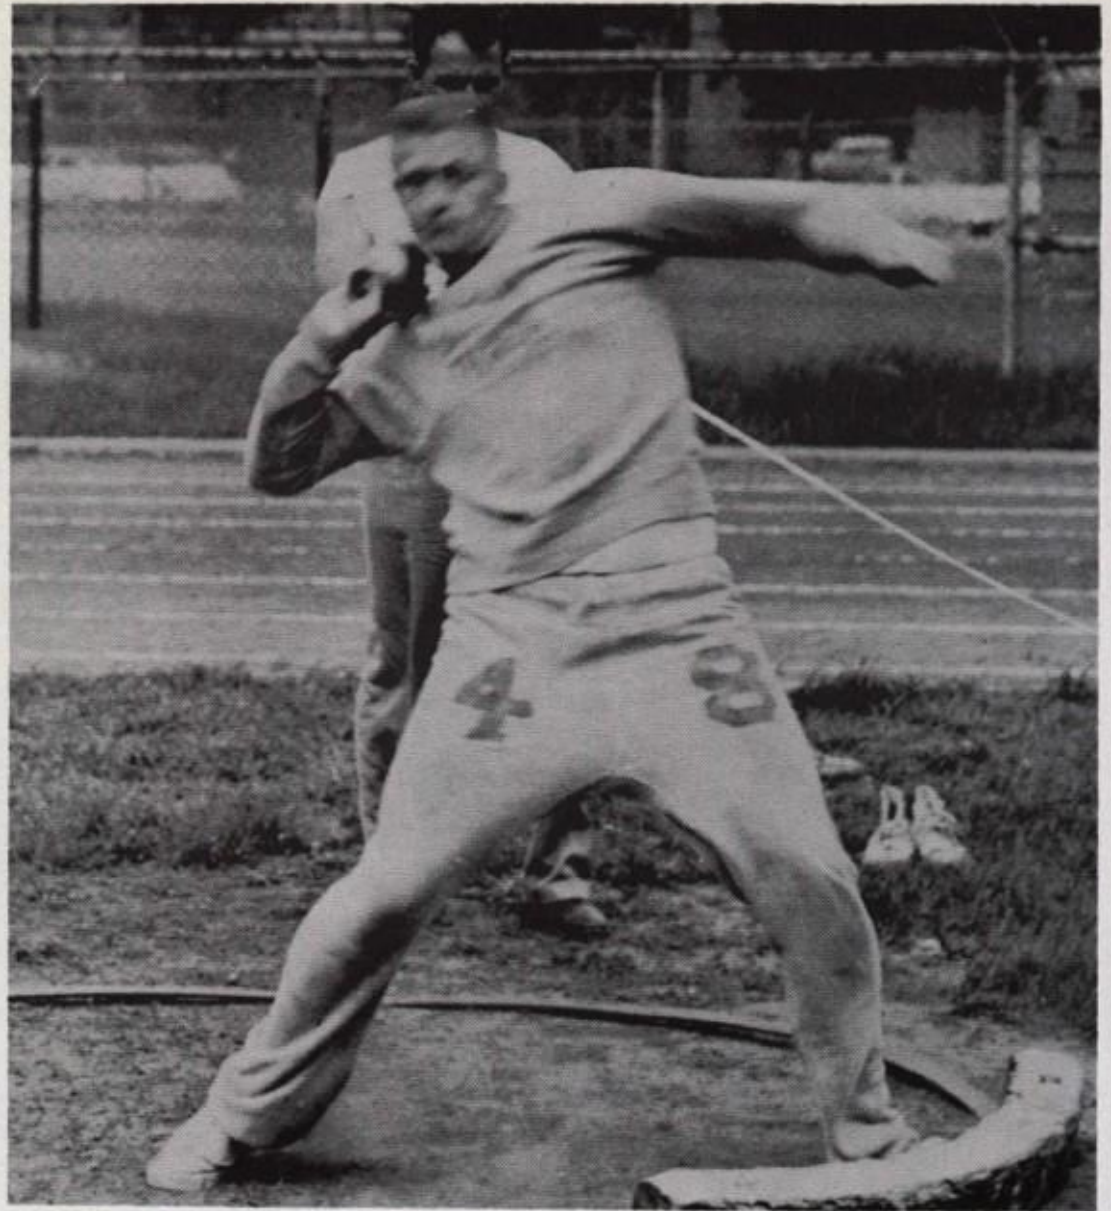

Mr. Ardell Aarstad and Mr. Raymond Sauer are the track coaches.

Court Kings

Ted Paulson looking forward to spring.

Like the golf squad, the tennis team also needs a specially constructed place on which to play. Unfortunately the Logan team lost its own courts when the new Logan Junior High School was built on that site. This necessitated a trip to Copeland Park or the Onalaska tennis courts each time the team wanted to practice, and when they served as the host school for matches.

Despite this disadvantage, the '59 Logan tennis team had a fine season under the able and experienced coaching of Mr. Earl Kolcinski. They won 7 of their 9 matches in 1959. They were successful against Winona, Eau Claire, Viroqua, Onalaska, and lost only to Central.

The spring of '59, after the heavy snowfall of the winter, made it difficult for the team to get in sufficient practice before the actual beginning of the season, so their excellent record was quite remarkable.

The 1960 team will feel the loss of four senior letter winners, Tony Krueger, Steve Fossum, Al Mac Gregor and Gary Thompson. Coach Kolcinski will have to build this year's squad around three returning veteran letter-winners, Ted Paulson, Bob Kuehl, and Stan Johnson.

Hard practice is needed every spring to bring the boys to tournament condition. It is expected that the '60 team with its three returning lettermen will prove to be a very fine one.

Standing: Bill Rinartz, Gary Lubinsky, Harold Miller, Jerry Nelson, and Tom Knutson.
Kneeling: Gary Johnson, Harvy Ott, and Dave Horton.

Green Greats

One of the smallest squads in the organized sports' program is the golf team. Since individual plays individual, the actual playing squad is made up of just five members.

Good weather and an available course are game necessities. The Logan team practiced and played all home matches on the La Crosse Country Club course. The 1959 spring weather was a real obstacle to this squad; the hard winter gave the team a late start.

The team won six of their fifteen '59 season matches. Winona Cotter, Richland Center, Viroqua, and Gale-Ettrick were defeated by Coach Marsh Haugen's team. This was Mr. Haugen's first year as golf coach.

Lack of depth was the reason for most of the team's losses. The team was defeated by Winona, Eau Claire, Central, and Aquinas.

Two outstanding Logan golfers and consistent winners, Gary (Butch) Johnson and Harvey Ott, turned in low score cards. Both boys shot in the low seventies. Dave Horton, Gary Lubinsky, Bill Rinartz, Jerry Nelson, and Harold Miller were the other senior members of the squad. The underclassman was Tom Knutson.

While the season's record was not pleasing to the team, some exciting matches were played. Sparkling bits of play made the individuals aware of their potential and kept them interested in a sport in which they can participate for the rest of their lives.

Tom Knutson prepares for next year.

Row Three: Bob Dobbs, Bill Stockers, Gary Paul, Danny Schaller, Terry Kellicut. **Row Two:** Ralph Hembd, Rich Rebhan, Bob Young, Jim Mathison, Jim Beranek. **Row One:** Jim Bjorge.

Can you do this? Jim Beranek and Jim Bjorge can.

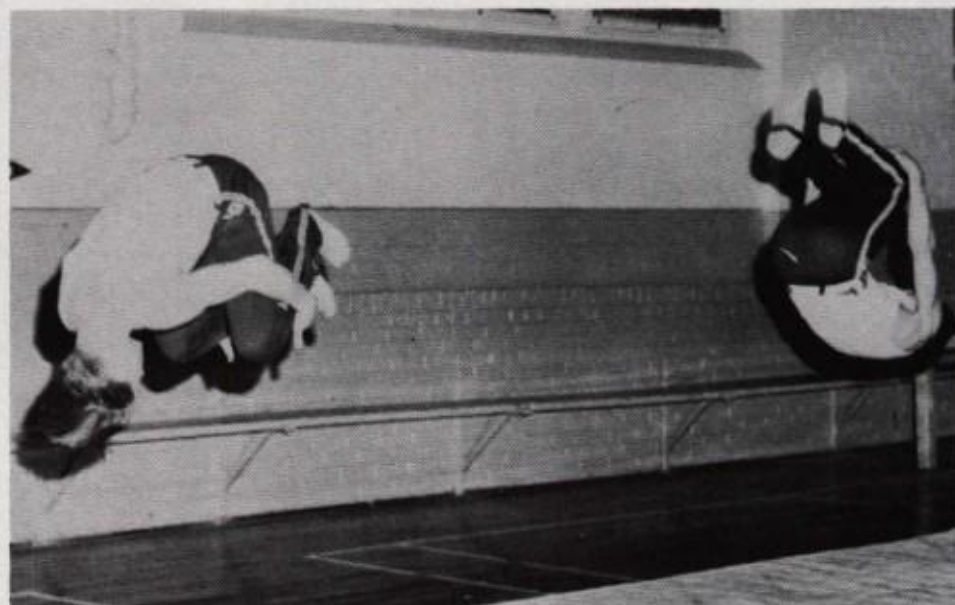

Agile Artists

An ambitious group of young men make up the tumbling squad at Logan. If they are not practicing at Logan, there is a good chance they are at La Crosse State College working out on their equipment. This year the tumblers have the added advantage of a Trampoline which was loaned to them by the Marines.

The tumblers put on a number of performances during half-time at basketball games and in assemblies.

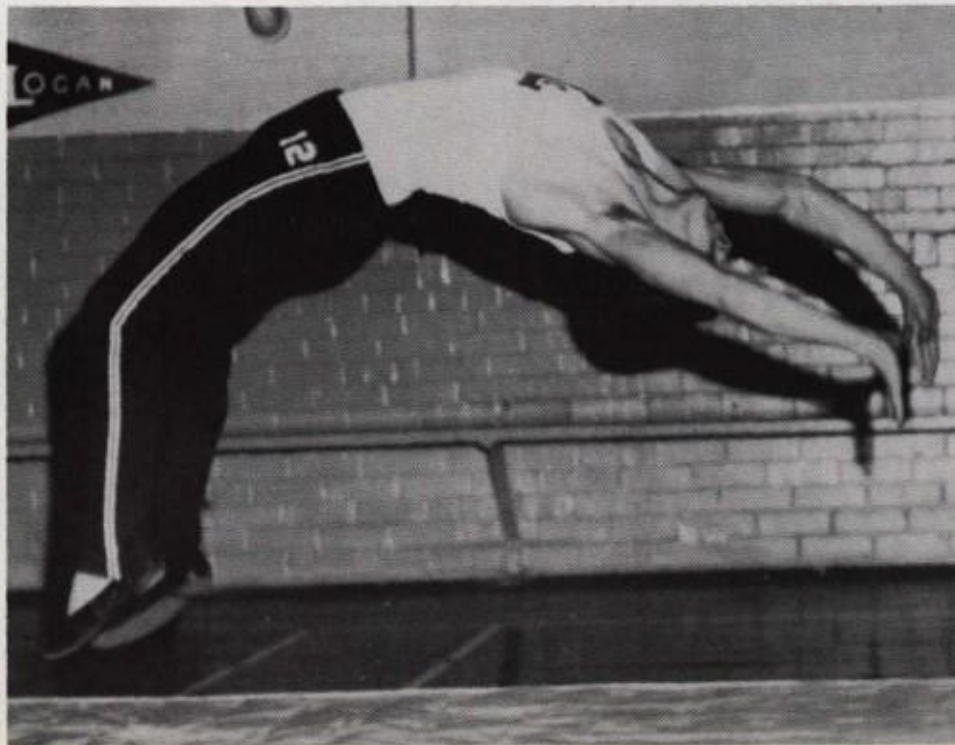

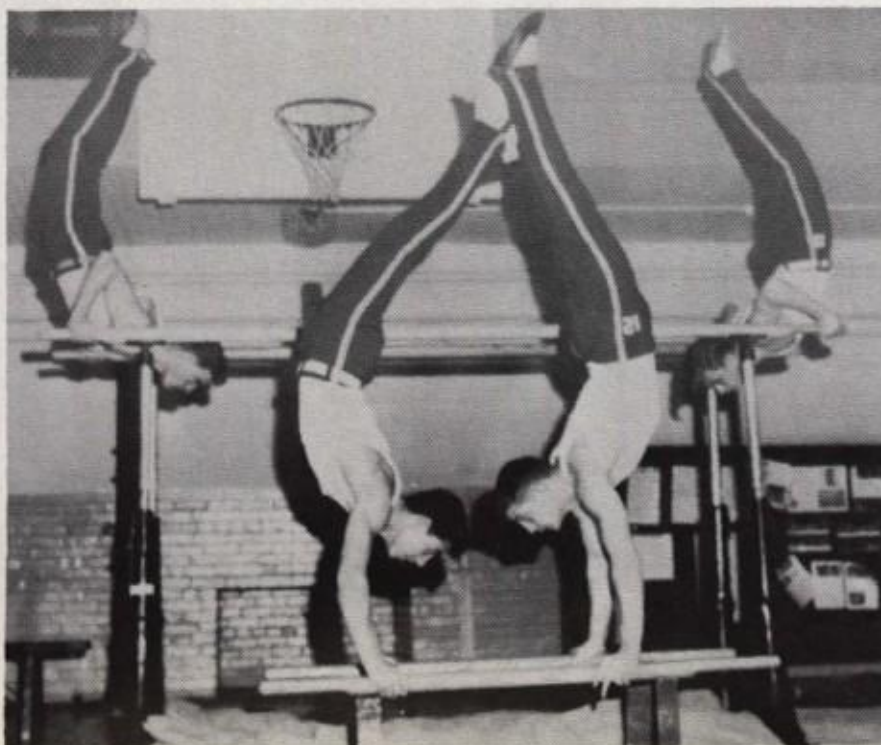

The tumbling squad is under the direction of Mr. A. Aarstad.

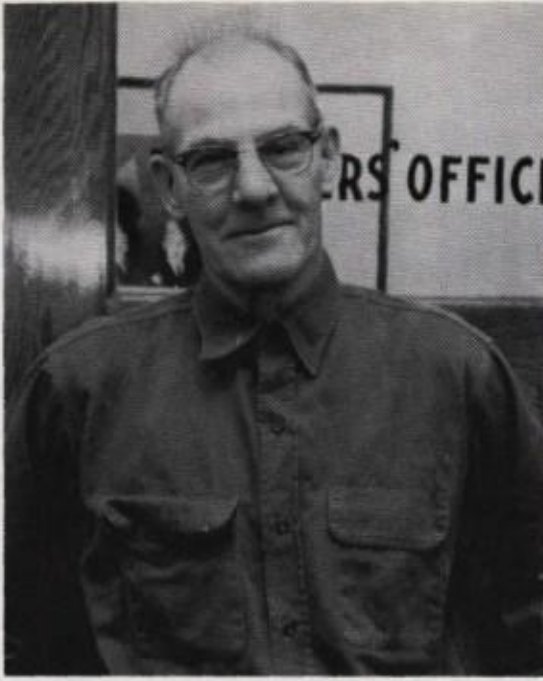

Bill Dobbs, Bill Stockers, Jim Beranek and Dan Schaller practice on the bars.

Dan Schaller and Bill Stockers start with simple things?

Jim Beranek comes out of a back flip.

Kathy,
we haven't much
to remember in
years. But remember
when we went
skating last winter and
now we just about
froze to death, oh! well
it was fun any way.
Have a real nice summer and
all that stuff. Don't we mean to
